Batasia Loop is the place through which the toy train passes in a loop like pattern. It is a great location to enjoy a 360 degree view of Darjeeling's picture perfect landscape. At the center of the Batasia Loop Garden, there is War Memorial, which was built to honor the Gorkha soldiers who lost their lives in different operations and wars after India's independence.

Built back in the year 1875, Ghoom Monastery holds immense importance as it is dedicated to Maitreya Buddha, who is believed to be 'The Buddha to Come'. The monastery preserves some rare, handwritten Buddhist manuscripts.

Enjoy your breakfast at the hotel and then leave for your next round of sightseeing.
