- Clients must be fully insured, as the company cannot accept liability for loss or damage to client's property, medical emergencies or any other loss suffered by them whilst on tour.
- Paragliding, rafting, trekking & high altitude travel are adventure activities and the rates do not cover any insurance, risk cover, damages, claims etc. A person coming on adventure tour has to be covered for adventure travel & activities apart from normal travel insurance. We will not be liable in any case for any mishap/ loss etc.
- For pax to travel from Spiti to Kinnaur, inner line permit is required. This would be processed by us on behalf of clients for which we need a copy of passport, visa, four passport size photographs.
- For issuing of entry permit this year the Government is asking for personal presence of guests for issuing the permit and hence, we request that guests should be in Shimla on a Government working day/ office hours but if same not able to be processed guests will have to extend stay at a place where permit has to be issued. Please keep guests informed
- At times in Kinnaur especially at Mulling, due to landslides the road may remain closed. In such case we have to use two set of vehicles. One set drops the guest on one end of Mulling, guest walks over the closed area and second set picks up the guest at other end. However, the above cost envisages use of only one set of vehicle. Incase two set of vehicles are used, extra cost would have to be paid.
- Spiti & Kinnaur are Trans Himalayan regions and due to unforeseen circumstances like rain, landslides etc the itinerary may have to be changed at last minute. Incase there are any last minute changes due to operational problems, there are no refunds or compensation associated with it.

Insurance cover has to be from the guests country of origin only and cannot be done here in India on arrival
- Foreign nationals have all travel documents in original.
- There would be only 04 full paying pax per vehicle and the vehicle might have fifth pax who would be accompanying escort or local guide. Accompanying escort/ guide would not be provided with an additional vehicle even if the jeeps have 4 full paying pax.
